Speaker

Dr. Konrad Meyenberg

Specialist in reconstructive dentistry, Zurich (CH)

Konrad H. Meyenberg graduated at the University of Zurich, Switzerland in 1985.

He completed a 4-year post-graduate program in reconstructive dentistry in Zurich at the department for fixed and removable prosthodontics and material sciences (chairman: Prof. Peter Schärer).

His special areas of interests and research are aesthetics, implant dentistry, adhesive dentistry and perioprosthodontics.

He is a certified specialist for Reconstructive Dentistry of the Swiss and European Dental Society. He maintains since 1992 a private practice focused on aesthetic reconstructive dentistry in Zurich, Switzerland.

He is since 1990 a well-known speaker at numerous international congresses and events, having presented at more than 500 congresses, including ISPRD, AO, GNYAP, EAO, EAED and AAED.

Moderator

Mrs. Sabine Hofmann

Area Sales and Marketing Manager
